Municipal work becomes so heavy as to justify this change. There are the drawbacks of the proposal, but on principle there seems to be little to be said against the change proposed. It is to some extent, consistent with that which regulates the levy of cost for District Fund Establishment.

13 The present recommendation is however, not based on statistics showing that the addition of the Municipal work to the establishment of the Sub Divisional office is such as cannot be afforded to warrant relief of the Head in question. How much addition is involved, what the amount of normal work of the Establishment is, whether a redistribution of duties or a change of hand so as to improve the total capacity of the Establishment to turn out work can not meet the needs — these are points about which the reference now made is silent.

14 Speaking from personal experience of the Municipalities in this District generally and of Bhavani, in particular, I do not think a permanent post for the work out of the clerks of the S. D. Office establishment is much wanted in practice in any case and justify the allowance now asked for

being sanctioned. My recent visit to Simla would not confirm this conviction. As an instance of this, my demands without having been answered, as a result. My honour & the faith of the Govt have been shaken with regard to the finances. My credit appeared to have been very much discredited at the London Market & encouragement shown & so. My work & others & hundreds were required before my work could be carried & the Govt authorities.

Sir,

In submitting herewith copy of letter No. 109 dated 2/10/12 from the Assistant Commissioner Mysore Division, I have the honor to request that under the circumstances represented by the Assistant Commissioner, Government may be pleased to --- sanction an allowance of Rs5/- per Mensem to the clerk who attends to Municipal work in the Assistant Commissioner's Office.

Enclosure 74-12

5/23

Letter No. 109 dated 2-10-12 from the Assistant Commissioner Mysore Sub Division to the Deputy Commissioner Mysore District.

Sir,

I have the honor to state that no additional hand has been sanctioned to this office as in other Sub Division Offices to do the work connected with Municipalities It is true that there is only one Regulation Municipality under my charge ---- namely Hunsur but that being a large one, its correspondence, preparation of accounts etc involve an appreciable addition to the work of the establishment The person at present deputed to do this work has other heavy duties, and cannot cope with it except by working beyond the usual Office hours In these circumstances I consider it necessary that he should be given some encouragement by way of a monthly allowance of Rs5/- to do the work promptly and well and request that you will be so good as to obtain the sanction of Government for the same.

The Municipal Council of Hunsur, with whom I communicated in this matter, agrees with me Its resolution on the subject is herewith enclosed.

I have etc
